DETAILED ACTION

The response filed 18 July 2006 overcomes the drawing, specification and claim objections made in the previous Office action, except for the claim objection noted below.

This application is in condition for allowance except for the following formal matters:

Claim Objections

Claim 5, line 2: [[the second supplementary fabric]] should be a second supplementary fabric because there is no antecedent basis for second supplementary fabric in the claim.

Claim 5, line 5: [[the outer door fabric]] should be the second supplementary fabric because the second waterproof tape (104) is attached to the reverse of the second supplemental fabric (109) not the reverse of the outer door fabric (102).

Allowable Subject Matter

Claims 1, 2, 4, 5 and 7 are allowed.

Art Unit: 3636
